

Arizona Department of Transportation
ROADWAY ENGINEERING GROUP

MEMORANDUM

To: Roadway and Drainage Design Personnel

ADOT and Consultant

Date: June 20, 2006

From: Jeff Beimer

Roadway Drainage Section

Roadway Engineering Group

Subject: ADOT Hydraulics Manual

The ADOT Highway Drainage Design Manual – Hydraulics is now available in draft form for designing drainage structures on ADOT projects. You may access the Manual on the ADOT Roadway Drainage Section website at:

<http://www.azdot.gov/Highways/RdwyEng/DrainageDesign/Index.asp>

Comments on the Manual may be sent via email to Jeff Beimer (jbeimer@azdot.gov). Comments received on or before December 29, 2006 will be considered for incorporation into the final Hydraulics Manual. Comments received afterwards will be considered for future Manual revisions.

Please contact the Roadway Drainage Section for questions regarding the Manual.
